# 2010 ROTAX MAX CHALLENGE GRAND FINAL CHASSIS PARTNERS

The organisation of the Rotax Max Challenge Grand Finals at La Conca, Italy has arrived at a major milestone – the nomination of chassis manufacturers supporting the event.

This year it's the 11<sup>th</sup> grand finals and the event will be bigger and more colourful than ever. This success is recognised by the impressive list of chassis partners for the grand finals and it's the first time that the event will be supported by 3 independent chassis brands.

Chassis partners play an important role, their quality products, professionalism, experience and knowledge is imperative to support the spirit of the grand finals.

BRP-Powertrain GmbH & Co KG proudly presents the chassis manufacturers for the 2010 Rotax Max Challenge Grand Finals:
