

What's On At The Gong?

Following a successful start to the season the Wollongong Kart Racing Club, with the support of IKD, has decided to include two more senior classes to it's already action packed race day schedule.

As of the 21st March Rotax Light & Rotax Heavy will be regular classes featured at Wollongong Kart Racing Club. For each club championship race day one set of MOJO wet tyres will be randomly drawn for participants in the Rotax Light & Rotax Heavy classes.

Along with hosting two rounds of the Rotax State Series in its WKRC Triple Challenge, Rotax drivers will have even more opportunity to maximise their track time at Wollongong.
